## SPRAY ORGÁNICO PARA ALIVIO POSPARTO

Formulado especialmente para usar en el periné como alivio durante el posparto

Cuida la piel y está ginecológicamente probado

### Modo de uso:

Aplicar sobre la zona perineal según sea necesario después del parto, tantas veces como consideres. Gracias a un innovador pulverizador de 360°, permite la aplicación sin contacto desde cualquier ángulo. Se puede almacenar en el frigorífico para un efecto más refrescante.

## SPRAY BIOLOGICO PER SOLLIEVO POST PARTO

Appositamente formulato per l'uso sul perineo, per fornire un sollievo immediato e lenitivo per i disturbi post parto

Delicato sulla pelle e ginecológicamente testato

### Modalità di utilizzo:

Nebulizzare l'area perineale ogni volta che si avverte un disagio. Utilizzare non appena necessario dopo il parto e tutte le volte che si ritiene necessario. Un innovativo spruzzatore a 360° permette un'applicazione facile e senza contatto da qualsiasi angolazione. Può essere conservato in frigorifero per un ulteriore effetto rinfrescante.
