

Lansinoh®

Specially formulated for use on the Perineum

- Unique blend of herbal ingredients including Aloe Vera, Chamomile and Cucumber to cool and calm
- Gynecologically tested and suitable for sensitive skin
- 360° sprayer for easy application from any angle

How to use: Mist over the perineal area whenever you are feeling discomfort. Use as soon as required following birth and as often as you feel necessary. Can be stored in the fridge for extra cooling effect.

Caution: Keep out of the reach of children. Avoid contact with eyes. If product enters the eyes rinse well with warm water. If irritation occurs, discontinue use.

AEROSOL PARA ALIVIA EL DOLOR POSPARTO

- Formulado especialmente para calmar la zona perineal después del parto
- Protege la piel y está ginecológicamente probado

Modo de empleo: Rocíar sobre la zona perineal para calmar según sea necesario. Gracias a su innovador pulverizador de 360° se puede aplicar sin contacto desde cualquier ángulo. Se puede refrigerar para obtener un efecto refrescante adicional. C.N. 208653.1

SPRAY PER SOLLIEVO POST PARTO

- Appositamente formulato per l'uso sul perineo. Dona sollievo immediato ai disturbi post parto
- Ginecologicamente testato e delicato sulla pelle

Modalità di utilizzo: nebulizzare l'area perineale ogni volta che si avverte un disagio. Utilizzare al bisogno dopo il parto e tutte le volte che si ritiene necessario. Un innovativo spruzzatore a 360° permette un'applicazione facile e senza contatto da qualsiasi angolazione. Può essere conservato in frigorifero per un ulteriore effetto rinfrescante.

Made in Czech Republic

Lansinoh®

Post-Birth Relief Spray

Helps soothe and relieve discomfort during your post-birth recovery

SZÜLÉS UTÁNI NYUGTATÓ SPRAY

- Kifejezetten a gáton való alkalmazásra készült, hogy azonnal enyhítse a szülés utáni kellemetlen érzést
- Gyengéd a bőrhöz és nőgyógyászatilag tesztelt

A használat módja: Ha kellemetlen érzést tapasztal, fújja be a gát területét. Használja a szülést követően, ha szükséges minél hamarabb, és olyan gyakran, ahogy szükségesnek érzi. A megújult 360°-os permetező lehetővé teszi a könnyű, érintés nélküli alkalmazást bármilyen testhelyzetben.
